### ECONOMY CAR PACKAGE

The Economy Car Package is the cheapest way to travel. The package includes up to 5 persons and one vehicle (max 2 meters high) one way. The price is determined by supply and demand so the sooner you book, the lower the price. Payment must be made upon order and the ticket can not be refunded if cancelled. You can, however, choose between different levels of flexibility.

#### Step 1 - Best Price:

No changes allowed. Exception: changes to the number of passengers, size of the vehicle and upgrading of cabin.

#### Step 2 - Semi Flex:

The ticket can be changed to other departures on the same price level.

#### Step 3 - Full Flex:

The ticket can be changed to all available departures for a surcharge.

The number of Economy Car Packages available will vary from departure to departure. They may be particularly scarce on departures in connection with holidays and high season.

#### Economy Car Package Strömstad - Sandefjord, one way

From EUR **22,-**

The price includes up to 5 persons and one passenger car, one way. Payment must be made upon order. Number of spaces is limited.
